An application was also received for R 6604 as contribution to be paid from the State fund. No contribution was asked for

Sir,

I have the honor to state that from your letter No.905 Muz.18-08-5 of 29-1-09 to the address of the Superintending Engineer, Western Circle it was presumed that the funds will be made available at the commencement of this official year without reference from this office and hence no fresh application was made. As the work is at a stand still for want of funds, I have the honor to request that all the amount remaining out of the estimate i.,e.,Rs.2561/- may kindly be placed at the disposal of this Department as early as possible.

Yours sincerely,
